About

When function met aesthetics, this tripod lamp with custom-printed lamp shades was born. Featuring a galvanized steel tripod base, this lamp delivers both high-end durability and a unique decorative touch. The custom printed lamp shades can accommodate high-resolution custom prints and add your personality to your surroundings.

NB! The lamp features a type A plug with two pins, which makes it suitable for the sockets used in the USA and Canada.

Key features

Fabric

Polyester fabric trimming that allows contrasting and colorful high-resolution prints

All over print

Design can be applied on the outer side (360°) of the lamp shade.

Warm light

Shade ensures warm and cozy lighting for every time of the day.

US/CA supported plug

Tripod lamp comes with a type A plug used in the United States and Canada.

Care instructions

If the lamp does gather any dust, you may wipe it off gently with a clean, damp cloth.
